No. P.—8/B of 1929.

OFFICE OF THE SURGEON-GENERAL
WITH THE GOVERNMENT OF BOMBAY :
Poona, 28th June 1929.

From

BREVET-COLONEL F. P. MACKIE, K.H.S., O.B.E., I.M.S.,
Officiating Surgeon-General with the Government
of Bombay, Poona ;

To

THE SECRETARY TO GOVERNMENT,
General Department, Bombay.

Subject.—Annual Report on Mental Hospitals.

Sir,

I have the honour to submit the Annual Report on Mental Hospitals in the Bombay Presidency for the year 1928.

2. *Buildings.*—The buildings are in good state of repairs generally. Minor additions were carried out at the Mental Hospitals at Yeravda, Ahmedabad and Dharwar. The construction of two separate wards for Parsi female patients and a new block for better class male patients at Yeravda is nearing completion. The Civil Yard at Hyderabad is in urgent need of repairs and steps are being taken to provide the requisite funds for carrying out the repairs.

3. *Water-supply.*—The supply has been good and sufficient at all the Mental Hospitals.

STATEMENT NO. I

Population

4. The total population of the Mental Hospitals during the year under review was 2,298 as compared with 2,109 in 1927. Admissions including re-admissions numbered 561 males and 163 females during the year against 470 males and 134 females, respectively, in 1927. The increase was contributed mainly by the Mental Hospitals at Yeravda and Dharwar. The daily average strength was 1,657·7 as compared with 1,534·2 in the previous year.

Discharges and Cures

5. During the year under report 289 patients were discharged cured, 95 improved, 29 not improved and 32 were discharged otherwise.

Sickness and Mortality

6. The daily average number of sick treated in hospital was 89.4 against 93.7 in 1927. The percentage of sickness to the daily average strength was 5.4 against 6.1 in 1927. The health of the patients was generally good during the year.

7. There were 153 deaths against 171 in 1927. The ratio of deaths per cent. of the daily average strength was 9.2 as compared with 11.1 in the preceding year. The sub-joined table gives the ratio of deaths to the daily average strength at the several Mental Hospitals :—

Mental Hospitals					Males	Females	Total
Naupada, Thana ...	...	...	...	...	14.4	12.9	14.0
Ratnagiri ...	...	...	...	...	6.8	4.4	6.1
Central Mental Hospital, Yeravda ...	...	...	...	...	E. 4.4	11.8	7.2
					I. 11.5	7.9	10.3
Dharwar ...	...	...	...	...	11.6	8.1	10.4
Ahmedabad ...	...	...	...	...	4.9	2.5	4.3
Hyderabad ...	...	...	...	...	3.8	20.8	6.9
Total ...					9.3	9.1	9.2

8. The chief causes of deaths at the various Mental Hospitals during the year were Cerebral Atrophy (17), Phthisis (13), Pneumonia (9), Nervous diseases (12), Dysentery (12), Enterities (8), Epilepsy (8), Diseases of the circulatory system (8), Malaria (7), Stuporous melancholia (7), Syncopy (5) and diseases of the Heart (3).

STATEMENT NO. I-A

Cases admitted for observation

9. During the year 253 cases were admitted to the various Mental Hospitals for observation. Of these 203 were certified and admitted into the Mental Hospitals and 57 were released as uncertifiable. In the past few such cases were admitted and the large number of admissions during the year is attributable to the recent orders under which cases of alleged insanity at places where there are Mental Hospitals are kept under observation at the Mental Hospitals instead of at the Civil Hospitals.

STATEMENT NO. II

Criminal Insanes

10. The total number of criminal insanes confined in the Mental Hospitals during 1928 was 189 (176 males and 13 females) with a daily average strength of 111.5.

STATEMENT No. III

Religion

11. Of the 724 cases admitted during the year 39 were Europeans and Eurasians, 70 Indian Christians, 432 Hindus, 149 Mahomedans and 34 belonged to other castes.

STATEMENT No. IV

Previous occupations of the insanes admitted

12. Domestic servants (96) including house-wives furnished the largest number of admissions followed by clerks and labourers (53) each, Agriculturists (48), Merchants and traders (44), Students (32), Mendicants (20) and 173 other known occupation. In 121 cases the previous occupation could not be ascertained and 84 had no occupation.

STATEMENT No. V

Ages of insanes admitted

13. Fifty-seven insanes were under 20 years of age on admission 510 between 20 and 40, 139 between 40 and 60 and 18 were upwards of 60 years.

STATEMENT No. VI

Types of insanity

14. The principal types of insanity treated were Mania 694 against 627 in 1927, Melancholia 460 against 435, Delusional insanity 75 against 78, Dementia 315 against 276, insanity due to *Cannabis Indica* or its preparations 153 against 122 and Idiocy 49 or the same as in the previous year.

STATEMENT No. VII

Ætiological factors and associated conditions in the insanes admitted

15. The principal predisposing and existing causes were mental stress 88 against 69 in 1927, mental instability 125 against 74 and toxic diseases 42 against 75. Owing to defective history the causes of insanity could not be ascertained in 360 cases as compared with 318 in the previous year.

STATEMENT No. VIII

Cash accounts

16. The receipts from paying patients amounted to Rs. 1,16,116 in 1928 against Rs. 1,13,080 in 1927. The value of stores received from the manufacturing department less cost of raw materials was Rs. 19,312 against Rs. 15,339 in the previous year. The total receipts under the two heads amounted to Rs. 1,35,428 as compared with Rs. 1,28,419 in 1927—an increase of Rs. 7,009.

17. The total expenditure in 1928 amounted to Rs. 8,06,159 as compared with Rs. 7,45,265. The increase was due to the Public Works Department charges on account of the cost of the new blocks under construction at the Mental Hospital, Yeravda, debited against that institution during the year. Deducting the receipts the net expenditure was Rs. 5,20,945 against Rs. 4,61,711.

18. The following table shows the cost per annum per head of the daily average strength in the several institutions during the past two years :—

Institutions					1927	1928
Naupada, Thana ...	...	..	...	...	444	347
Ratnagiri ...	...	...	...	...	245	283
Central Mental Hospital, Yeravda	...	..	...	...	565	616
Dharwar ...	...	...	...	...	312	255
Ahmedabad ...	...	...	...	...	267	259
Hyderabad ...	...	...	...	...	225	217

Employment and amusements

19. The employment of patients continues the same as in previous years such as gardening, weaving and helping in the domestic duties connected with the Mental Hospitals. Rs. 3,337 were expended during the year for the amusements and recreation of the insanes against Rs. 3,279 spent in 1927.

Visitors

20. The official visitors were regular in their attendance at all the Mental Hospitals.

21. A summarised report of the Central Mental Hospital, Yeravda, is published as an appendix.

I have the honour to be,

Sir,

Your most obedient servant,

(Signed) F. P. MACKIE,

Brevet-Colonel, I.M.S.,

Offg. Surgeon-General with the Government of Bombay.

ANNUAL REPORT OF THE CENTRAL HOSPITAL FOR MENTAL DISEASES, YERAVDA, FOR THE YEAR 1928

Major A. H. Harty, I.M.S., held charge until 2nd November 1928 when he was relieved by Major E. C. A. Smith, I.M.S.

On January 1st, 1928, there were 622 patients in Hospital, during the year 281 new cases (218 males and 63 females) were admitted as compared with 205 in 1927 and 170 in 1926; the total number treated being 903 as compared with 809 in 1927 and 759 in 1926. During the year 96 patients were discharged recovered, 52 improved, 19 not improved, 1 escaped and 14 transferred to the United Kingdom and other Mental Hospitals, making a total of 182 as compared with 137 in 1927. The deaths numbered 63, leaving a total of 658 on 31st December 1928.

The causes of deaths were as shown below :—

Acute Mania	...	...	...	1
Cancer Breast	...	...	...	1
Carcinoma Pharynx	...	...	..	1
Cerebral Atrophy	..	...	...	17
Cerebral Hæmorrhage	..	...	...	1
Disseminated Sclerosis	..	..	..	1
Dysentery Amœbic	...	.	..	2
Emphysema Lung, Chronic	...	..	..	1
Enterities	.	.	...	8
Fracture of Femur	...	..	..	1
General Paralysis of the Insane		...	...	1
General Septicæmia	...	...	...	1
Intestinal Obstruction		...	..	1
Pneumonia	...	..	...	4
Pulmonary Tuberculosis		...	...	3
Rheumatism	...	...	...	1
Senile Dementia	...	...	...	2
Status Epilepticus	...	...	...	6
Stuporous Melancholia	...	...	..	7
Sunstroke	...	...		1
Valvular Disease of the Heart		...	...	2

63

The general health of the patients was fair throughout the year. No additional accommodation was provided during the year. The available accommodation is 572 but, by overcrowding, 658 are now actually accommodated and once during the year the total number of patients accommodated stood at 676.

Hospital Outturn.—The value of garden produce supplied to the Hospital as well as to the public in 1928 was Rs. 9,975-0-11 as compared with Rs. 11,209-15-9 in 1927.

It is a matter for congratulation that this institution was awarded twenty-two prizes (8 firsts, 4 seconds and 10 thirds) in the Agri-Horticultural show held last September. This is all the more creditable when it is realized how inefficient labour from mental patients can be.

Minor Works completed in the year 1928 were as follows:—

(1) *Works completed*:—

Construction of quarters for the P. W. D. staff attached to this hospital.

(2) *Works in progress*:—

Constructing suitable latrines 12 seats in the servants' lines.

Major Works in process of erection:—

(1) Constructing two separate wards for Parsee female patients.

(2) Constructing a new block for better class male patients.

Occupation of patients.—The facilities for occupational therapy are very limited indeed. The buildings are small, cramped and unsuitable for their purpose. More could be done in this respect if funds were provided for an adequate staff for instruction and supervision.

Recreation and amusements.—The amount spent from the special grant this year was Rs. 2,079-1-3 as compared with Rs. 1,834-8-11 in 1927. Cricket and Tennis is played daily and frequent picnics in the country, for the whole day, are thoroughly enjoyed. The weekly recreation hall entertainments and Cinema shows have been held, the latter being possible mainly to the generosity of Mr. K. Mody, the Manager of the Empire Cinema, Poona, as the sum provided on this account, viz., Rs. 300 barely covers the cost of transportation of the film and the Assistant. Mr. Mody and the Proprietors of the Empire Cinema have their reward in the thorough appreciation and gratitude of the patients and of the staff for the excellent and up-to-date entertainment provided.

(Signed) E. C. A. SMITH
